Pillars of Service

Serenity Suites

Feel right at home

Fully furnished suites available to stay while you are in Winnipeg for medical appointments or treatment, pre/post-surgery or visiting a loved one in hospital/hospice care.

Hearing Program

We are hear for you

Our intention is to enable individuals affected by hearing loss to be able to achieve their goals with optimum results and minimal disruption.

We support, promote and foster programs for the benefit of individuals with a hearing impairment. The Foundation may provide funding assistance for hearing-related issues.

Vision Program

Our vision is your sight

Our intention is to enable individuals affected by vision loss to be able to achieve their goals with optimum results and minimal disruption.

We support, promote and foster programs for the benefit of individuals with a vision impairment. The Foundation may provide funding assistance for vision-related issues.

KidSight

Our children are counting on us

We offer a free simple eye screening test for children. It takes seconds, is hands-free and we come to your day-care, school or public event.

We will let you know if a follow up by an optometrist is recommended for your child.

Helping Hand Program

Providing assistance where needed

Our intention is to help ease the burden many individuals and families face when dealing with medical issues that are not covered by our health care system.

We may contribute to the assistance approved by your local club; and augment the funding they provide.
